Surfer Massage NEW IN 2022!

50 minutes 350k

Whether you surf the net or the waves this deeply restorative massage is designed to release muscle tension throughout your entire back area. Our therapeutic magnesium oil is blended to aid in tissue recovery and reduce inflammation, restoring mobility effectively.

Tonic Vitality Facial / Head Massage

60/90 minutes 320k /420k

The ultimate facial & head massage ~ stimulating and relaxing. Firm pressure is applied to the meridians on your face followed by a delicious tonic scalp massage. Our beauty secret lies in the ancient Asian tools we use, both the Jade roller and Gua Sha.

Sensatia Botanicals provide the dreamiest ingredients and boosts levels of collagen & elastin to create smoother, firmer glowing skin.

Tonic Seated Bliss Massage

60/90 minutes 290k/390k

From head to toe, all tension is released as head, upper body and lower legs are treated to a delicious tension release massage overlooking our tropical sanctuary.

Our foot soak and scrub compliment this ritual whilst sipping on a refreshing Tonic. This massage incorporates gentle Thai stretches, Lomi Lomi and Swedish movements to release toxin build up.

Oriental Foot Massage

60/90 minutes 290k / 390K

Fabulous for stimulating circulation and restoring physical and mental harmony, relax and enjoy the view in our big easy style chairs overlooking our sanctuary.

Tonic Hair spa Smoothie ... 60 minutes 320k

Hair is hand washed with Sensatia shampoo and a rich conditioning hair spa treatment is generously applied section after section coating hair like thick icing on a cake. Drift off & enjoy a traditional hot towel head wrap whilst your neck, shoulders are massaged. Hair is then cleansed, and towel dried leaving hair deliciously soft and shiny. Tonic is applied to the scalp to add revived fresh feeling.

What Is Vaginal Smoking?

Things To Know About This Surprising Spa Treatment

Vaginal smoking is an old pre wedding tradition from Java, Westerners are becoming hip to this practice, where it is sometimes called a Venus smoke.

The basics: you sit in a chair with a hole, and scented herbs are burned underneath your privates.

This treatment helps to cleanse, relax, and even scent a vagina.
