# Welcome to our Ohana.

## THANK YOU FOR VISITING!

We hope you are enjoying your experience at Ohana's and having a magical time on Nusa Lembangan. At Ohana's we've created a setting for you to be present with loved ones, and create special memories with those important to you whilst taking in the natural beauty of our location. Our menu has been purposefully designed as a fusion of western and Indonesian influences.

## FEEDBACK

We trust that your experience with us will be nothing short of fantastic. However, if there is anything that does not meet your expectations during your time here, please do not hesitate to inform our on-duty manager immediately so we can address it promptly.

We understand that perfection is elusive – our dedicated and personable team members are human, not machines, and mistakes can happen occasionally.

Rest assured, our commitment is to always strive for resolution and ensure that you depart with a smile and wonderful memories. Your satisfaction is our priority.

## SHARED FAMILY DINING

Our menu has been designed with social and shared dining in mind. Dishes will be brought out when they are ready, rather than all at once.

## KITCHEN TIMINGS

We operate three separate kitchen spaces and two bars to facilitate our menu offering.

Coordinating the timing of all kitchens and bars can be challenging so please be mindful of this when ordering. The kitchen upstairs is dedicated to crafting garlic bread, pizza and pasta. The bar kitchen focuses on fruit-based dishes like smoothie bowls. The beach club kitchen prepares the majority of our menu.

Generally, dishes ordered from the same section of the menu will be prepared from the same kitchen and closely timed.
